Do You Want to Know What You Swallow?

There is a growing sentiment in this country in favor of MEDICINES OF KNOWN COMPOSITION. It is not natural that one should have some interest in the composition of that which he or she is expected to swallow, whether it be food, drink or medicine.

Recognizing this growing disposition on the part of the public, and satisfied that the fullest publicity can only add to the well-earned reputation of his medicines, Dr. R. V. Pierce, of Buffalo, N. Y., has taken time by the forelock, as it were, and is publishing broadcast a list of all the ingredients entering into his leading medicines, the "Golden Medical Discovery," the popular liver invigorator, stomach tonic, blood purifier and heart regulator; also of his "Favorite Prescription" for weak, over-worked, broken-down, nervous and invalid women.

This bold and outspoken movement on the part of Dr. Pierce, has, by showing exactly what his well-known medicines are composed of, completely disarmed all harping critics who have heretofore unjustly attacked them. A little pamphlet has been compiled, from the standard medical authorities of all the several schools of practice, showing the strongest endorsements by leading medical writers of the several ingredients which enter into Dr. Pierce's medicines. A copy of this little book is mailed free to any one desiring to learn more concerning the valuable, native, medicinal plants which enter into the composition of Dr. Pierce's medicines. Address Dr. Pierce as above.

Dr. Pierce's Pleasant Pellets are tiny, sugar-coated anti-bilious granules. They regulate and invigorate Stomach, Liver and Bowels. Do not "hurt the pill habit," but cure constipation. One or two each day for a laxative and regulator, three or four for an active cathartic. Once tried always in favor.

\$50,000 The People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at \$1.50 per copy. Last year we gave away \$50,000 worth of these invaluable books. This year we will give away \$50,000 worth of them. Will you share in this benefit? If so, send only 3 one-cent stamps to cover cost of mailing only for book in self-paid covers, or 10-cent stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

UNHAPPINESS DISPELLED.

Men and Women Unanimous About It.

Many women weep and wall and refuse to be comforted because their once magnificent tresses have become thin and faded. Many men incline to profanity because the flies bite through the thin thatch on their craniums. It will be good news to the miserable of both sexes, to learn that Newbro's Herpicide has been placed upon the market. This is the new germicide and antiseptic that acts by destroying the germ or microbe that is the underlying cause of all hair destruction. Herpicide is a new preparation, made after a new formula on an entirely new principle. Anyone who has tried it will testify as to its worth. Try it yourself and be convinced. Sold by leading druggists. Send 3 one-cent stamps for sample to The Herpicide Co., Detroit, Mich.

Charge Against Ex-Commissioner.

Sensational testimony was given Wednesday afternoon by W. F. Bechtel in the District Court at Minneapolis, where he is on trial on a charge of having misappropriated \$3,500 of the Northwestern National Life Insurance Company's fund. Bechtel went on the stand in his own defense and told of paying \$5,000 in marked bills to former State Insurance Commissioner O'Shaughnessy in a room in the Ryan Hotel, in St. Paul. Mr. Bechtel said O'Shaughnessy had demanded the money, saying: "I'm not in the business for my health," and, "Remember, there are two of us."

Bechtel told of drawing his personal check for \$2,500 and of getting another check for \$2,500 from Wallace Campbell, formerly of the Northwestern Life Association.

"We marked the bills," continued the witness. "Then I and Judge W. A. Kerr went over to St. Paul. The three of us saw O'Shaughnessy at the Ryan and Judge Kerr sat within ten feet of me when I met O'Shaughnessy and went upstairs to a room with him. When I got into the room I handed O'Shaughnessy the roll of bills. He counted them over several times. While he was counting the money Campbell knocked at the door, then entered. O'Shaughnessy thrust the money under his coat. I said: 'We're not through, Mr. Campbell,' and Campbell went out. O'Shaughnessy finished counting the bills and put them in his pocket, saying: 'Let's have a highball.' I told him I was not drinking, and we separated."

Mysterious Death.

Two longshoremen hauled from the water at the foot of Dover street, New York, almost under the Brooklyn bridge yesterday, the body of a young woman, almost nude, dismembered and horribly gashed on the limbs.

The police theory is that the woman committed suicide by jumping into the East river, perhaps from so great a height that her dress was torn off, and that the propeller or paddle-wheel of some river craft subsequently mutilated the body as it rose to the surface. At the same time they are giving consideration to a suggestion that the woman might have been the victim of a Jack-the-Ripper type.

Although discolored with blue, bruised-looking spots, the body was not swollen, nor had decomposition begun. Apparently it had been in the water only a few days. It was that of a woman possibly 30 years old and weighing 122 pounds, with long black hair, gray eyes and dark skin. The features were small and regular.

The only garments were a white unvest of fair quality, a cheap corset, a pair of black stockings and black shoes, with the soles ripped away. Tucked in the top of the corset was a small purse, containing 20 cents and a rubber comb; an empty pint flask and a letter which is thought to have been sent by a sister of the deceased. A gold wedding ring was on the third finger of the left hand.

Cardinals Rebuked.

As a sequel to the presence of four cardinals at the dinner given by Ambassador White in honor of Archbishop Ireland April 25, Cardinal Oreglia, dean of the Sacred College, who, by virtue of his rank, is entitled to direct matters of ceremony among his brother cardinals, has written a letter to each of the four cardinals—Vincenzo Vennuti, Satolli, Mathieu, and Martini—asking them for an explanation of their presence at a function given by a diplomat accredited to the Quirinal. The letter characterizes the presence of cardinals at such functions as unfitting.

On May 8, at the instigation of Cardinal Oreglia, all cardinals living in Rome received a circular note recalling to their attention the propriety of observing the rules regarding their relations with personages connected with the Italian court.

One of the four cardinals who was present at the Archbishop Ireland dinner, and who, since the issuance of the letter above alluded to, has been received by the Pope, states that Pope Pius says they were right in accepting Ambassador's White's invitation to the dinner in honor of Archbishop Ireland, but that the note had to be sent out to prevent possible future infractions of an established policy of the Vatican.

The Cold Wave.

The cold wave of the past few days has extended over a large area. Frosts in Alabama and Tennessee have killed the cotton crop; an ice-forming temperature has damaged fruits and vegetables in Pennsylvania. A half inch of snow fell in New York. Delaware fruits have been nipped by heavy frosts. A wide area of fruits and vegetables in Ohio and Michigan has been injured by ice, snow

Young Girls

Avoid The Dangers and Sufferings of Womanhood

Many a girl who graduates from high school or female college with a brilliant record and high standing is broken down before she is twenty.

Nowadays girls are pushed to the limit of their endurance both in school and society. They must make a success—even if they are forever unfitted for the larger school of life and debarred from the happiness of motherhood.

At this time of life, when just entering upon womanhood, nature makes heavy drains upon the vitality, especially at each monthly period.

Lydia E. Pinkham's Vegetable Compound

the most wonderful of all tonic restorative medicines for women, will tide a young girl over this trying time and bring her safely into strong, noble, beautiful womanhood.

Experience of a Beautiful High School Girl

My Dear Mrs. Pinkham:—I write to see if you can suggest some means to cure me. A little more than a year ago I was unwell for the first time, and since then I have been sick all the time in some way or other and suffered with painful and irregular periods. I went to a summer resort for my health and was doctored all summer, but to no effect. I have not been unwell for two months and thought I would see if you could do me any good. I attend High School and would not like to miss any time if it is possible. MARION BARBER, North Adams, Mass.

Miss Barber writes again after two years

My Dear Mrs. Pinkham:—Some time ago I wrote to you for advice, being troubled with irregular and painful periods and female troubles. I began taking Lydia E. Pinkham's Vegetable Compound and Liver Pills and using the Sanative Wash, and I am glad to say I am completely cured and have not had any sickness since. I wish to thank you for your kind advice and shall recommend your medicine to my girl friends. MARION BARBER, 101 Bracewell Ave., North Adams, Mass.

Free Advice for Young Girls

All young girls are earnestly urged to write to Mrs. Pinkham, at Lynn, Mass., for advice. Mrs. Pinkham is daughter-in-law of Lydia E. Pinkham, and for twenty-five years under her direction, and since her decease, she has been advising sick women free of charge. Thousands of women are well, strong and beautiful to-day because they made a confidant of Mrs. Pinkham and followed her instructions at this critical time of their lives.
